Subject: IAWP Officer of The Year Award

Dear IAWP Board of Directors,

Thank you for recognizing and honoring me as the 2011 IAWP Officer of the Year. The awards banquet is truly the highlight of the conference and I was lucky enough to share this event with my family and close friends.

In addition, I would like to recognize the great job that Mylan Masson did as the awards committee chairperson. Being involved as a conference chairperson with the Mid-Atlantic Association of Women in Law Enforcement, I truly know how difficult it can be to get everyone "on the same page".

Thank you again and I wish you all the best and continued success in your careers and with the IAWP.

With sincere appreciation,

Diane M. Sorantino
