

Position: Law Enforcement Liaison
Employer: Absolute Software/LOJACK for laptops
Location(s): Chicago, Detroit and California
Salary: Based on applicant experience and competitive with industry standards

ABSOLUTE SOFTWARE, makers of Lojack for Laptops, is seeking interested, active or retired law enforcement personnel. This employment opportunity requires personnel with an extensive investigative background and proven relationship building capabilities that facilitates successful investigations between law enforcement and a private corporation.

Absolute Software Technology

Absolute Software provides tracking and tracing capabilities for mobile Information Technology Assets. This proven and established technology has been marketed since 1994 and provides effective solutions to corporations and users concerned with data breaches and legislative requirements. Absolute has provided an effective recovery service that has resulted not only in the recovery of the stolen asset(s), but the collateral benefit of solving other crimes involving property, drugs, weapons, credit card fraud and identity theft. These investigations have also resulted in the arrests of individuals on outstanding warrants and parole violations.

Absolute Software Corp is a separate company from Lojack Corp, but has acquired the name branding rights to the name "Lojack". Absolute Software trades publicly on the Toronto Stock Exchange (TSX) under the symbol ABT.

Job Function

The successful candidate will be responsible for establishing and building relationships with various policing agencies within the area of responsibility. Education and training are the keys to success and will require the candidate to be functional and effective in this capacity. Investigational responsibilities will require the candidate to be able to conduct investigations on crimes related to property involving the use of technology.

The job is a home office based opportunity that will involve travel, mostly regionalized with some opportunities in other parts of the continental United States. All expenses related to travel are fully compensated.

Other Skills

Although technology is a significant part of this job, it is not considered essential to have this background at the time of application. Excellent communication skills are beneficial.
